TOWN WARRANT
THE STATE OF NEW HAMPSHIRE
The Polls will be open from 10:00 A.M. to 7:00 P.M.

To the inhabitants of the Town of Wakefield in the County of Carroll in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Paul School in said Wakefield on Tuesday, the fourteenth day of March, 1995 at ten o'clock in the forenoon, to act upon the following articles, numbered 1 through 4:

ARTICLE 1: To choose all necessary Town Officers for the ensuing year.

ARTICLE 2: Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Town Zoning Ordinance as follows: Amendment reduces the 20 foot side setback to 10 feet for certain "grandfathered" lots in the Residential I and Residential II zones?

ARTICLE 3: Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Town Zoning Ordinance as follows: Amendment adds property designated as Map 1, Lot 16 to light Industrial Zone, and removes "residential" as a permitted use in the Zone?

ARTICLE 4: Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the Town Zoning Ordinance as follows: Amendment adds new Section C. to Article IV "General Provisions" to regulate signs to replace the current Town Ordinance regulating signs enforced by the Board of Selectmen?

You are hereby notified to meet at the Paul School in said Wakefield on Saturday, the eighteenth day of March 1995 at seven o'clock in the evening, to act upon the following subjects:

ARTICLE 5: To see if the Town will vote to raise and appropriate the sum of eighteen thousand dollars (\$18,000) for the purchase of a police cruiser? (RECOMMENDED BY THE SELECTMEN AND THE BUDGET COMMITTEE) (Majority vote required).

ARTICLE 6: To see if the Town will vote to raise and appropriate the sum of thirty-four thousand dollars (\$34,000) for Town Hall Maintenance? (RECOMMENDED BY THE SELECTMEN AND THE BUDGET COMMITTEE) (Majority vote required).

ARTICLE 7: To see if the Town will vote to raise and appropriate the sum of one hundred thousand dollars (\$100,000) for the purchase of a new ambulance, authorize the withdrawal of forty-nine thousand five hundred dollars (\$49,500) and any accrued interest from the existing Capital Reserve fund created for that purpose, and raise the balance of fifty thousand five hundred dollars (\$50,500)

through taxation? (RECOMMENDED BY THE SELECTMEN AND THE BUDGET COMMITTEE) (Majority vote required).

ARTICLE 8: To see if the Town will vote to raise and appropriate the sum of eight thousand dollars (\$8,000) for the purchase of a sander for the Highway Department. (RECOMMENDED BY THE SELECTMEN AND THE BUDGET COMMITTEE) (Majority vote required).

ARTICLE 9: To see if the Town will vote to raise and appropriate the sum of fifteen thousand dollars (\$15,000) for the purchase of a used excavator for the Highway Department. (RECOMMENDED BY THE SELECTMEN AND THE BUDGET COMMITTEE) (Majority vote required).

ARTICLE 10: To see if the Town will vote to raise and appropriate the sum of thirty-five thousand dollars (\$35,000) for the purchase of a dump truck, plow, wing and two yard spreader for the Highway Department. (RECOMMENDED BY THE SELECTMEN AND THE BUDGET COMMITTEE) (Majority vote required).

ARTICLE 11: To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of purchasing a fire truck and to raise and appropriate the sum of twenty-five thousand dollars (\$25,000) to be placed in this fund and to designate the Board of Selectmen as agents to expend. (RECOMMENDED BY THE SELECTMEN AND THE BUDGET COMMITTEE) (Majority vote required).

ARTICLE 12: To see if the Town will vote to raise and appropriate the sum of twenty thousand dollars (\$20,000) for repairs to the Sanbornville Fire Station. (RECOMMENDED BY THE SELECTMEN AND THE BUDGET COMMITTEE) (Majority vote required).

ARTICLE 13: To see if the Town will vote to raise and appropriate the sum of one hundred thousand dollars (\$100,000) to add to the existing Capital Reserve Fund for the future cleanup and closing of the Wakefield Landfill site. (RECOMMENDED BY THE SELECTMEN. THE BUDGET COMMITTEE RECOMMENDS \$85,000) (Majority vote required).

ARTICLE 14: To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of Bridge Construction and to raise and appropriate the sum of twenty thousand dollars (\$20,000) to be placed in this fund and to designate the Board of Selectmen as agents to expend. (RECOMMENDED BY THE SELECTMEN AND THE BUDGET COMMITTEE) (Majority vote required).

ARTICLE 15: To see if the Town will vote to amend the existing Town of Wakefield Landfill Ordinance by replacing it in its entirety with the Town of Wakefield Landfill Ordinance dated February, 1995? (Majority vote required).

ARTICLE 16: To see if the Town will vote to raise and appropriate the sum of one million, eight hundred eighty-two thousand, seven hundred eighty-six dollars (\$1,882,786), inclusive of previously approved individual warrant articles, to

defray town charges as submitted by the Budget Committee. (Majority vote required).

ARTICLE 17: To transact any other business that may legally come before said meeting.

Given under our hands and seal, this 15th day of February, in the year of our Lord nineteen hundred and ninety-five.

SELECTMEN'S REPORT - 1994

This past year was a year of steady progress, with few major changes, but many ongoing accomplishments for the town. The strong community spirit was evident, with the Garvin Building successfully acquired by the Heritage Commission, and the formal recognition of the Cultural and Scenic Byway as described in last year's report. The town was also successful in obtaining an enhancement grant from the federal ISTEA funds for sidewalks in downtown Sanbornville, to be built in three years.

This year also saw the retirement of long time Town Road Agent, Sonny Nason, after many dedicated years of preserving the quality of our roads throughout the town by excellent use of the resources available. We welcome the town's new Road Agent, Danny Davis and look forward to his continuing the traditions of quality that Sonny established.

The landfill continues with the staged closure. The southern edge of the active area was pulled back to meet the final closure slopes. In the process, we found we could slightly reduce the area of the final closure footprint, thereby potentially reducing the closure costs. The second project, underway this spring, is to remediate the area near the glass and aluminum can recycling bins where trash was buried to an excessive depth. This also can reduce the final closure area and costs.

The Solid Waste Advisory Committee has done an excellent job of identifying and providing resources and suggestions for Wakefield to improve the operations and appearance of our landfill. They are working with the town engineer, Charlie Nelson to develop and execute the final closure plan, and to develop the recycling and transfer station for after the landfill is closed.

As in previous years, the Town has much to be proud of and much to be thankful for. The community spirit from large numbers of people and organizations throughout the community has yielded a great bounty for the town. We owe our thanks and support for the long term, ongoing efforts of all these many people. Their efforts and ours recognize that our success as a community requires long term planning and work from all of us, not just for the projects for this year, but looking forward to the next century.

The Board of Selectmen thanks all of those people who help the Town operate. This includes all the volunteers on all the town boards, all the town employees, and all the citizens who involve themselves by voting, attending meetings, and offering suggestions throughout the year.

TRUSTEES OF THE TRUST FUND REPORT FOR 1994

On June 13, 1994, the Trustees of the Trust Fund were notified by Terry M. Knowles, Registrar, Division of Charitable Trusts, that Governor Merrill on June 8, 1994, had signed the new RSA 289 relative to cemeteries. This new law became effective August 7, 1994.

Terry Knowles on July 14, 1994, met with Wakefield Town Officials and the public to help explain some of the ramifications of this new law. One result of the new RSA 289 is the division of Trustees of the Trust Fund into two entities namely--the Trustees of the Trust Fund and Cemeteries Trustees. Interested persons may pick up a copy of the new RSA 289 at the Town Hall.

Trustee Warren Cassidy resigned his position on December 3, 1994. We have missed his knowledge and good judgment as a Trustee.

Respectfully Submitted,
WILLIS McCOY

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of the Board of Selectmen
Town of Wakefield
Wakefield, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Wakefield as of and for the year ended December 31, 1993, as listed in the table of contents. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Assets Account Group, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Assets Account Group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Wakefield as of December 31, 1993, and the results of its operations and cash flows of its nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The combining and individual fund financial statements listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Wakefield. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

ADDITIONAL AUDITOR'S NOTE

The accounts of the Town of Wakefield for the year 1994 have been examined by the independent auditing firm of Plodzik & Sanderson Prof. Assoc. of Concord, N.H. Their report, although not available in time to be printed in this report, will be available for public inspection at the Selectmen's office by the end of March.

WAKEFIELD AREA AMBULANCE 1994 ANNUAL REPORT

The Wakefield Area Ambulance responded to 260 calls during 1994. These included 79 motor vehicle and water accidents, 191 home and sudden illness calls and 17 fire calls. A total of 160 patients were transported to the hospital of which 106 were residents. Fourteen responses were for mutual aid to other communities and 6 responses were for mutual aid to Wakefield when the ambulance was out of service.

We currently have 19 members of which 15 are emergency medical technician EMT's, and 2 are licensed first responders. Of the 15 EMT's 7 are qualified for defibrillation, 2 are qualified for intravenous treatment and 1 is qualified for limited drug treatment.

During 1994 the Corps logged over 2300 hours of voluntary service on ambulance calls and training with no compensation other than personal pride and satisfaction of help to others in need.

Statistics show that more requests for assistance were on Sundays and Thursdays and that February, August, November and December were the busiest months.

The Wakefield Ambulance Association made up of Corps members and interested townspeople donated over \$1,000.00 in equipment from memorial and regular donations.

Any person who would like to assist the Ambulance Corps but has no desire to be a medical attendant could do so by joining the Association. Any interested person can call Emily (Mrs. John) Pearce.

Please remember the Corps still holds a free monthly blood pressure clinic the first Wednesday of each month at the Branch River Commons from 10:00 A.M. until noon. Anyone interested is welcome to come in and have their blood pressure checked free of charge.

Respectfully Submitted,
MALCOLM H. KURTH, Director
Wakefield Area Ambulance Corps

ANIMAL CONTROL OFFICER'S REPORT FOR 1994

Another busy year in Animal Control with stray cats on the increase. As many as twenty-nine were taken from Wakefield Acres, all strays.

With rabies in high threat, when seeing a stray dog or cat, please do not pick up or let your children pick up or play with them.

A successful clinic was held again for pets at the Wakefield Police Department, with Dr. Flood of Acton, Maine.

Many thanks to those who have called and have given happy homes to some of the dogs that have been found. Your help has been appreciated, especially by the animals that now have all their shots, a warm home and will be constant companions.

In the 418 plus calls that came in over the year for barking, loose, lost and found, abused and nuisance dogs, a breakdown of other calls are listed:

Horses:	Loose/abused	6
Pigs:	Loose	3
Geese:	Wandering/Loose	4
Deer:	Chased/dogs	6
Bites:	Dog/Cat	8
Dogs:	Dis/Road Accident	24
Cats:	Dis/Strays and Road Accidents	35

WAKEFIELD ECONOMIC RESOURCE COMMITTEE 1994 OVERVIEW

The 1994 Wakefield Economic Resource Committee (WERC) program focused on laying a foundation for future economic growth in three basic areas:

A. **INFRASTRUCTURE IMPROVEMENTS** to the Town's physical environment are designed to create more business activity in Wakefield, make Sanbornville Village safe and attractive for consumers and support efforts to convert a greater percentage of seasonal residents into village business customers. They help retain and expand existing businesses and encourage the development of new enterprises.

Projects include obtaining funds for the construction of sidewalks and crosswalks in the central business district of Sanbornville; a feasibility study for the Garvin Building which outlines the financial plan for renovation of the building; and assistance to Parks & Recreation in the financial planning to construct two new ball fields at the Town Ball Park.

B. **INSTITUTIONAL CHANGES** encourage economic growth and allow the community to more effectively take advantage of economic opportunities. Changes in 1994 include the creation of a Sanbornville Village District and a Village Commercial Industrial Park through zoning; a series of Breakfast Seminars held in the fall co-sponsored by WERC and the Wakefield Chamber of Commerce; the development of the "Villages of Wakefield" concept to reduce confusion of village identities, which will be incorporated into the welcoming signs on Route 16; the creation of the Wentworth Economic Development Corporation (WEDCO), a regional economic development corporation that will provide local businesses access to needed capital; and the recruitment of a team of Wakefield residents to participate in "It Takes a Community," an economic development training program conducted through the Lakes Region Charitable Trust, funded by the Ford Foundation.

C. **TOURISM INDUSTRY DEVELOPMENT** is a key source of economic opportunity for Wakefield. An important part of our economic development strategy is to attract more tourist dollars to our community. WERC successfully sponsored a route which has been designated by the Governor's Council of the State of New Hampshire as a Scenic-By-Way. Also, the Villages of Wakefield are being marketed as a base for bicyclists in an effort to promote Bicycle Tourism. Three routes have been mapped and will be tested during Pride Day Weekend 1995.

1994 HIGHWAY DEPARTMENT REPORT

1994 saw some changes within the Highway Department. On behalf of the crew I would like to take this opportunity to thank Ernest (Sonny) Nason for his many years of leadership and dedication to the Town of Wakefield.

Presently the Highway Department consists of the following members:

Daniel R. Davis, Road Agent
Fred Clough, Assistant Road Agent
Russell Loring, Chief Maintenance Engineer
David Nason, Equipment Operator
Raymond Dodier, Equipment Operator

In addition to snow removal, regular maintenance and road repair the Highway crew worked on the following projects in 1994:

1. Reconstruction and paving of approximately 3,800 feet of Canal Road.
2. Shimming and resurfacing approximately 1,050 feet of Acton Ridge Road.
3. Reconstruction and graveling of approximately 3,000 feet of Oak Hill Road.
4. Replaced culverts and catch basins as well as reconstruction and paving of approximately 1,500 feet of Bonnyman Road.
5. Gravel resurfacing of sections of Pickpocket, Oak Hill, Pray Hill and Leighton Corner Roads.
6. Began construction of new access to the landfill to be completed in the Spring of 1995.

The Highway Department has a productive and industrious agenda slated for 1995.

WAKEFIELD PLANNING BOARD REPORT

During 1994 the Planning Board approved three subdivisions for a total of three new lots and three lot line adjustments; also, they approved a subdivision for 16 seasonal camp lots for a camp resort. Phase I of an Industrial Zoned Business Park was approved.

The Planning Board approved one Site Plan Review plan for a business. The Board reviewed six new businesses and seven home occupations in which no applications were necessary.

The Planning Board has been working on proposed Zoning Amendments to be presented to the voters in March, 1995.

The Planning Board meets regularly the first and third Thursday of each month.

Respectfully Submitted,
NATHAN FOGG, Chairman

TOWN OF WAKEFIELD ZONING BOARD OF ADJUSTMENT

The Wakefield Zoning Board of Adjustment, guided by State Statutes, hears requests for Variances from the Zoning Ordinance, Special Exceptions provided for in the Zoning Ordinance, and appeals from Administrative Decisions made by Town Administrative officials. The Board also administers special provisions of the Zoning Ordinance.

Twelve Applications were accepted for hearing before the board during 1994. Other incomplete or inaccurate applications were returned to sender and are not tallied here.

Of the 12 applications:

- 4 variances were granted, three of those with conditions
- 2 variances were denied
- 2 special exceptions were granted, one with conditions
- 3 requests for variances were continued
- 1 application was closed or withdrawn

The following residents served as your Zoning Board of Adjustment for 1994:

Michael Paradis, Chairman
Philip Colburn
Barry Bishop
Penny Voyles
Michael Glidden
Brooke Glidden, Recording Secretary (non-voting member)

Serving as alternates at various times:

CONSERVATION COMMISSION REPORT

The Wakefield Conservation Commission was established in March 1988 by Town vote (RSA-36A), consisting of five members appointed by the Board of Selectmen.

Meetings are held the second Monday of each month at 12:30 p.m. at Town Hall and the public is welcome to attend.

The purpose of the Commission is to research the use of local land and water areas, and establish an index of open space, and wetland areas as a part of public information. We also review requests for filling, dredging, and docks that are sent to the State Wetlands Board.

We do not have decision making powers, but make recommendations to state and local agencies.

This year we have reviewed 55 applications, made several on site inspections. These inspections are in line with the policy of the Department of Environmental Services, Wetlands Division. The state is putting more emphasis on the local Boards to assist in the review process.

Any gifts of money may be put into the Conservation account and allowed to accumulate from year to year for the purchase of land and development rights or any project. We are helping to protect the lakes and wetlands and would welcome anyone who might be interested in joining us in this community project.

Our thanks to Dorothea Morgan for her service to this board. We will miss her. We welcome Eileen Blomquist to our board.

THE WAKEFIELD HERITAGE COMMISSION

With the help of so many Wakefield people, the Wakefield Heritage Commission has had a very exciting year. The J. W. Garvin Building has taken much time and effort of the Commission, but there have been other projects in progress over the year as well. We have held two Public Hearings on changes proposed within the Historic District and also met with individual property owners within the District seeking advice and suggestions on their plans for their properties. We were very involved in the proposed Scenic By-Ways project within our Town, and we continue to seek additional information and to study our Town's historical sites and treasures. In addition we are indebted to the men of the Department of Transportation for removing the very troublesome bamboo along the road in the Historic District.

We are welcoming help from individuals interested in preserving certain sites with strong historical value, including State Representative Joe Kenney, who, with a group of young people, cleaned up the Town Pound this past Fall, and a group headed by Mrs. Mary Richards interested in the condition of the Advent Chapel in East Wakefield.

Now to the J.W. Garvin Building, which is truly a project for the future of the Town. Activities have been numerous and help has come from many, many sources. We held a Public Hearing on January 31, 1994, to consider the purchase of the building and on December 15, 1994, we delivered the final payment of the \$40,000. Fund Raising started at the Winter Carnival with muffins and hot chocolate at the ice cutting and continued with Town Meeting Gingerbread, buttons, a house tour, an auction, a Doll and Teddy Bear Fair, Doggie Portraits, dances, fudge, a raffle, a Cut-a-Thon, pen and ink drawing, a pancake breakfast and many wonderful donations. We live in a terrific Town and want all to know how much the Heritage Commission appreciates everyone's spirit and caring. We have had donations ranging from 87¢ to \$5,000; to the Fund, and we are grateful for each one.

We still have a very long way to go, but we will continue our efforts again in 1995 and we will need your support anew. This year the Heritage Fund has totaled \$45,380.74 and activity dates are being listed right now for 1995. For some it is easier to schedule time rather than money, so in 1995 three "Donate-a-Day" Saturdays are planned. We will need everyone's help with a few hours of work on the Building on those days.

Our 1994 Fund Raising Activities gave us:

Winter Carnival	\$ 31.00
Town Meeting Gingerbread	68.10
Buttons	138.50
Cut-a-Thon	509.00
School Dance	336.50

TOWN OF WAKEFIELD PARKS AND RECREATION DEPARTMENT

Wakefield Parks and Recreation is proud to report its great accomplishments this year. The Paul School Mountaineers, 200 climbers in all, conquered 6 mountains this fall. There were a total of 17 baseball/softball teams, the newest baseball teams were 2 boys and girls minor league teams. As always, there was great enthusiasm and a positive attitude with all involved.

The soccer program has exploded from 3 to 5 teams. It is expected that it will continue to expand as the program continues to excel. Once again, the football team made it to the finals. The basketball program also grew with the new kindergarten/first grade team. We can not thank the community enough for the donation of the team shirts for grades 2-6. Once again, the grade 7 and 8 girls and boys basketball teams are tops in the league. Space requires that we only mention a few of the many parks and recreation programs for our school children.

Our new Parks and Recreation Directors, Jill Richards and Nicki Mercer, have been working endless hours to improve and expand our already vast program. The focus of this year's directors will be to improve the program for the Wakefield's adults and teenagers.

We regret that we were not given matching federal funding for the new baseball/softball fields, but hope to find funding elsewhere.

We thank the town of Wakefield for all their support and donations and look forward to an even more encompassing program next year.

1994 LANDFILL DEPARTMENT

In addition to the normal operation of the landfill, the following projects and changes were made for the benefit of the public and employees:

Constructed Items:

New sorting shed for glass and aluminum, retaining walls to accommodate two roll-offs and one concrete bin for crushing green glass, a new burn pit, an oil containment building (for waste oil and anti-freeze), new tire area to State Regulations, and two 15' x 30' slabs were poured to accommodate glass roll-off bins.

Installed Items:

A storage trailer (for storage and future office), Bulky roll-offs (for mattresses and over-stuffed furniture & carpet), containers for cardboard, and a storage trailer to market newspaper.

Under Construction:

A new battery storage shed and the new entrance from Rines Road.

Misc. Projects:

Traffic control barrels were painted.

All the above work was completed by the landfill employees except the slabs were poured by an outside contractor. My thanks to the Highway Department for all their help to make this possible.

Amount of income generated from Landfill in 1994:

Items Marketed:

Aluminum cans	\$5,615.84
Batteries	157.62
Scrap metal	5,780.30
Glass credits	232.42
Misc. Alum./glass	593.80

Disposal Costs:*

Freon removal	\$ 441.00
Tire disposal	1,680.30
Container rentals	1,806.60
Transportation	2,425.00
Misc. tipping fees	574.00

Dump Fees Charged:

Tires	\$577.00
White metal	1,540.00

*=Doesn't include labor or Town equipment costs or those charges that are deducted from revenue payments.

WAKEFIELD POLICE DEPARTMENT REPORT

The Police Department had an active year in 1994 with an increase in calls for service. Alcohol and Substance abuse is of primary concern to us, as they are a factor in most criminal activity. The vast majority of suspects arrested for criminal offenses were under the influence of an alcoholic beverage, or other substance at the time of arrest, or when the offense was committed. Rarely are police officers summoned to a domestic disturbance, that substance use is not involved. Only too often, we are apprehending juveniles in possession of alcoholic beverages and drugs. Anything we can do to encourage our youth to avoid experimentation with these substances is a tremendous service to them, and may save their lives.

Through a co-operative effort and careful spending, the department is able to return a budget surplus to the Town.

Officer Thomas Mix has been selected as this year's "Officer of the Year." Tom is a true public servant. He spends many off duty hours at the station accomplishing an endless list of tasks. If something needs doing, regardless of what it is, Tom comes in on his own time and does it. Tom is an EMT and an active member of the Wakefield Fire Department and Ambulance Corps. If there is a call for help, Tom is generally there, whether on duty or not.

I would like to thank the people, the Selectmen, and other town agencies and employees for their help and support throughout the year. This year I would especially like to thank other law enforcement agencies, for their past and future assistance. The tragic death of New Hampshire State Police Sergeant James Noyes brings to the surface what we have really known all along, we do work well together, and depend on each other. The citizens of New Hampshire, particularly in the Carroll County area, were served well by Jim Noyes. He was the ultimate professional, the measure of what a police officer should aspire to be, and his death leaves an eternal void in the law enforcement community. Our hearts go out to his family and loved ones.

GAFNEY LIBRARY

Library hours are:

Monday	10-12
Tuesday	1-7
Wednesday	10-12
Thursday	1-5
Friday	10-12
Saturday	10-4

A photocopier is available for the public to use for a fee of 10 cents per copy. Tax forms are also available.

The total circulation for 1994 was 17,504. We purchased 286 new books and issued library cards to 186 new members.

The summer reading program "Go Undercover With Books" was under the direction of Ann Gehring.

The Friends of the Wakefield Libraries again sponsored the Cabin Fever programs. At Christmas, they decorated the library.

A very successful book sale was held in July under the direction of the Friends. The proceeds were used to purchase children's reference books.

Each week a volunteer delivers books to the Mountain View Nursing Home.

Helen McNally has joined the staff as assistant librarian. The Trustees of Gafney Library are: Titia Bozuwa, president; John Hraba, vice president; Ruth Fogelin, treasurer; Lois Hall, secretary; Alden Young and Peter Lamb.

Special thanks go to the Trustees of the Gafney; the Friends of the Wakefield Libraries, and to the many volunteers.

**WAKEFIELD LIBRARY ASSOCIATION
LIBRARIAN'S REPORT
1994**

The Wakefield Library has been open on Wednesdays at new hours -- 1:00 P.M. to 4:00 P.M. each week, and during the months of July and August the building has been open at the same hours on Saturday. We have had many "first-time" visitors this year, and they continue to come and they have encouraged their friends and neighbors to borrow books.

Circulation during 1994 was as follows:

Adult fiction 818; non-fiction 12; children's 31; magazines 6 -- making a grand total circulation of 861 books and publications. We have received several books as gifts, for which we are always grateful. We have purchased 46 new titles this year.

On Pride Day - May 21, 1993 - we had over 60 visitors to the library. And we continue to have people visit tracing their family roots, and enjoy coming to a place that brings back pleasant memories.

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

In calendar year 1994, our three (3) leading causes of fires were no permits, children and rekindles of fires where the fire was not properly extinguished.

Violations of RSA 224:27 II, the fire permit law, and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

To aid your Forest Fire Warden, Fire Department and State Forest Fire Officials, contact your local Warden or Fire Department to find out if a permit is required. This also helps to prevent unnecessary response to a controlled burn.

<u>Fire Statistics</u>	<u>1994</u>	<u>Average 1990-1993</u>	<u>Town</u>
Number of Fires Reported to State for Cost Share Payment	283	443	2
Acres Burned	217	246	6 1/2
Suppression cost = \$90,000+			

Fires Reported by Lookout Towers (1994)

Fires Reported by Detection Aircraft

Fires Reported	588
Assists to Other Towers	363
Visitors	21,309

Local communities and the State share the cost of suppression on a 50/50 basis. The State of New Hampshire operates 15 fire towers and 3 contract aircraft patrols. This early detection and reports from citizens aid the quick response from the local fire departments.

TOWN OF WAKEFIELD FIRE DEPARTMENT 1994 REPORT

During 1994 the membership of the Wakefield Volunteer Fire Department consisted of 40 members: one Fire Chief, one Deputy Fire Chief, three Captains and Lieutenants (one of each for the Sanbornville, East Wakefield and Union Fire Stations), one Second Lieutenant who serves as the department's training officer, and 31 Firefighters.

All active Fire Department members are required to participate in at least one of the two department training sessions each month. Other training outside of our own department is always encouraged. This year, two Firefighters attended the State of N.H. certified Firefighter Level I course, and 10 Firefighters completed the State certified Hazardous Materials Operations Level course. At this point, there are 12 members State certified Career Level, 9 members State certified Firefighter Level I (with the above mentioned two members due to graduate in early 1995) and with only a couple of exceptions, the entire department is certified at some level of Hazardous Materials control.

The Wakefield Fire Department responded to 153 emergency calls during 1994, expanding a total of 2,422.5 hours of firefighter's labor and 678.25 hours of fire truck operation.

Carbon Monoxide Poisoning is becoming more common in these days of tighter, more energy efficient homes. Being a colorless, odorless gas, Carbon Monoxide may not be detected without the use of special sensing equipment. Household Carbon Monoxide detectors and alarms are available in many hardware and department stores. These alarms in addition to your home's smoke detectors can help save lives.
